Brower Boarding and Grooming team combines the ideas about a "Vacation for your pet while you are on vacation" with a 1st class service for the pets. Our "four legged" guests receive personal care, plenty of playtime inside and out, a public play yard is on premises and seven large yards to run. If you have several pets in your family and want to board all of them together, Brower Boarding and Grooming offers a family suite too. We also offer cage free boarding and indoor / outdoor kennels .

Brower Boarding and Grooming – "because we care" is not only the company slogan, we mean it. Of course all Kennels and other rooms are double air-conditioned and special purifiers keep the air clean. We use purified water as drinking water and we launder dogs belongings without detergent and with purified water to avoid allergic reactions or skin irritations. The Kennels and outdoor runs are cleaned several times a day.

We also offer a large fenced in yard where dog owners and their dogs can meet and socialize during office hours.
